CBSE Affiliated Co-Educational

ANNUAL REPORT

Academic Session: 2025–26

1. It gives us immense pleasure to present the Annual Report of RSV Higher Secondary School, Bikaner, for the academic session 2025–26. The school is committed to providing quality education in a safe, inclusive, disciplined and child-friendly environment.

Our endeavour is to nurture students into confident, responsible, creative and compassionate individuals who are prepared to meet the challenges of the 21st century. The school follows the academic framework and guidelines of the Central Board of Secondary Education (CBSE) and promotes the vision of the National Education Policy 2020 through experiential, competency-based and holistic learning.

2. Academic Excellence

Academic excellence continues to remain one of the major priorities of RSV Higher Secondary School. The school follows a systematic academic planning process, regular assessments, remedial support and continuous monitoring of student progress.

Teachers employ a variety of teaching-learning methodologies, including activity-based learning, experiential learning, project-based learning, technology-enabled teaching and the effective use of Teaching Learning Materials (TLM).

Special attention is given to students who require additional academic support, while academically advanced students are encouraged to participate in various academic competitions and enrichment activities.

3. Board Examination Results

The school takes pride in the performance of its students in the CBSE Board Examinations.

Class X Board Examination – 2025–26

Number of students appeared: 266

Number of students passed: 266

Pass percentage: 100%

Highest percentage: 97 %

Number of students securing 90% and above: 52

Number of students securing 80% and above: 119

Class XII Board Examination – 2025–26

Number of students appeared: 180

Number of students passed: 180

Pass percentage: 100 %

Highest percentage: 98.4 %

Number of students securing 90% and above: 26

The school congratulates all students, parents and teachers for their sincere efforts and achievements.

4. Co-Curricular Activities

The school believes that education extends beyond the classroom. Students are provided with opportunities to participate in a wide range of co-curricular activities such as:

Literary activities

Debates and elocution

Quiz competitions

Drawing and painting

Creative writing

Declamation

Music and dance

Cultural programmes

Art and craft activities

Public speaking activities

Inter-house competitions

Various awareness campaigns

These activities help students develop confidence, communication skills, creativity, teamwork and leadership qualities.

5. Sports and Physical Education

Physical education and sports form an integral part of the school's holistic development programme. Students are encouraged to participate in various indoor and outdoor sports and games.

The school provides opportunities for students to participate in:

Athletics

Cricket

Basketball

Table Tennis

Yoga

Physical fitness activities

Inter-house sports competitions

Inter-school competitions

Students are encouraged to develop sportsmanship, discipline, teamwork and a healthy competitive spirit.

6. Clubs and Student Development

The school promotes active student participation through various clubs and activities. Students are encouraged to take responsibility, work collaboratively and contribute to society.

Important clubs and activities include:

Eco Club:

Students participate in activities related to environmental protection, cleanliness, plantation, conservation of natural resources and creating environmental awareness.

Youth Club:

The Youth Club provides students with opportunities for leadership, social responsibility, communication, teamwork and personality development.

Students are also encouraged to participate in awareness programmes, community-oriented activities and celebrations of important national and international days.

7. National and Important Days

During the academic session, the school observed and celebrated various important days and occasions, including:

Independence Day

Republic Day

Gandhi Jayanti

Constitution Day

National Education Day

International Yoga Day
Children's Day
Teachers' Day
International Women's Day
Earth Day
Hindi Diwas

Various other CBSE-recommended days and observances

Special assemblies, competitions, awareness programmes and student activities were organised on these occasions.

8. Value Education and Life Skills

The school gives special emphasis to character building and value education. Students are encouraged to practise honesty, discipline, respect, empathy, responsibility, kindness and cooperation.

Morning assemblies, classroom interactions, counselling sessions, stories, activities and special programmes are used to develop positive values and life skills among students.

9. Health, Hygiene and Safety

The school maintains a strong focus on the health, hygiene and safety of students.

Students are regularly sensitised about:

Personal hygiene

Healthy eating habits

Cleanliness

Road safety

Fire safety

Cyber safety

First aid

Mental and emotional well-being

Disaster preparedness

The school also conducts appropriate awareness and safety activities from time to time.

10. Teacher Development

The school believes that continuous professional development of teachers is essential for improving the quality of education.

Teachers participated in various orientation programmes, workshops, training sessions and professional development activities related to:

CBSE guidelines

NEP 2020

Competency-based education

Experiential learning

Assessment and evaluation

Classroom management

Teaching Learning Materials

The school encourages teachers to continuously update their knowledge and teaching practices.

11. Experiential and Innovative Learning

To make learning meaningful and engaging, students are provided opportunities for experiential and activity-based learning.

Students participate in:

Projects

Models

Experiments

Group activities

Presentations

Educational activities

Subject enrichment programmes

Field-based learning wherever appropriate

The focus is on developing critical thinking, creativity, collaboration, communication and problem-solving skills.

12. Student Counselling and Guidance

The school provides appropriate guidance and counselling to students for their academic, personal and career-related development.

Students are guided regarding:

Academic planning

Career choices

Examination preparation

Time management

Communication skills

Responsible use of technology

Personal development

Goal setting

13. Community and Social Responsibility

The school seeks to develop socially responsible citizens. Students are encouraged to understand their responsibilities towards society and the environment.

Activities related to cleanliness, environmental awareness, conservation, social awareness and community participation are undertaken from time to time.

14. Parent-School Partnership

The school recognises parents as important partners in the educational journey of every child. Regular communication is maintained with parents regarding students' academic progress, attendance, discipline and overall development.

Parent-teacher interactions and meetings are conducted periodically to discuss student performance and identify areas for improvement.

15. Infrastructure and Learning Facilities

RSV Higher Secondary School provides a supportive environment for academic and co-curricular development. The school has facilities including:

Well-equipped classrooms

Science laboratories

Computer/ICT facilities

Library

Sports facilities

Activity spaces

Safe drinking water facilities

Clean and hygienic toilets

First-aid facilities

Fire and safety arrangements

Other facilities as per school requirements

The school continuously strives to improve its infrastructure and learning resources.

16. Discipline and School Culture

Discipline is considered an essential part of the educational process. The school promotes punctuality, regular attendance, appropriate behaviour, respect for teachers and fellow students, cleanliness and responsible conduct.

17. Major Events of the Session

Some of the major programmes and events conducted during the session included:

Orientation programmes

Investiture/leadership activities

Independence Day celebration

Teachers' Day celebration

Children's Day celebration

Annual Sports activities

Annual Cultural Programme

Science and Mathematics activities

Literary competitions

Art and cultural activities

Awareness campaigns

Educational programmes

Various club activities

CBSE-related activities

18. Student Leadership

The school provides students with opportunities to develop leadership qualities through house activities, club responsibilities, competitions assemblies and various school programmes.

Students are encouraged to take initiative, accept responsibility, work in teams and demonstrate leadership through their conduct and performance.
